

We send the majority of all lab work to **Coastal Pathology, St Francis and Gynecor laboratories**. If your insurance is not accepted at these facilities, please inform our office staff. We cannot be responsible for lab bills that are denied by your insurance.

All Pap smears, biopsies, blood work, cultures, etc. will be done by the above facilities. If you have any questions, please see a member of the staff.

_____ You may send my labs to Coastal Pathology, St Francis or Gynecor.
